ODYSEE

The growth of an Indie Creative Platform

**2020**

Odysee, a publishing platform for video, photos, and written word, is born.

Odysee utilizes blockchain technology for creator security.

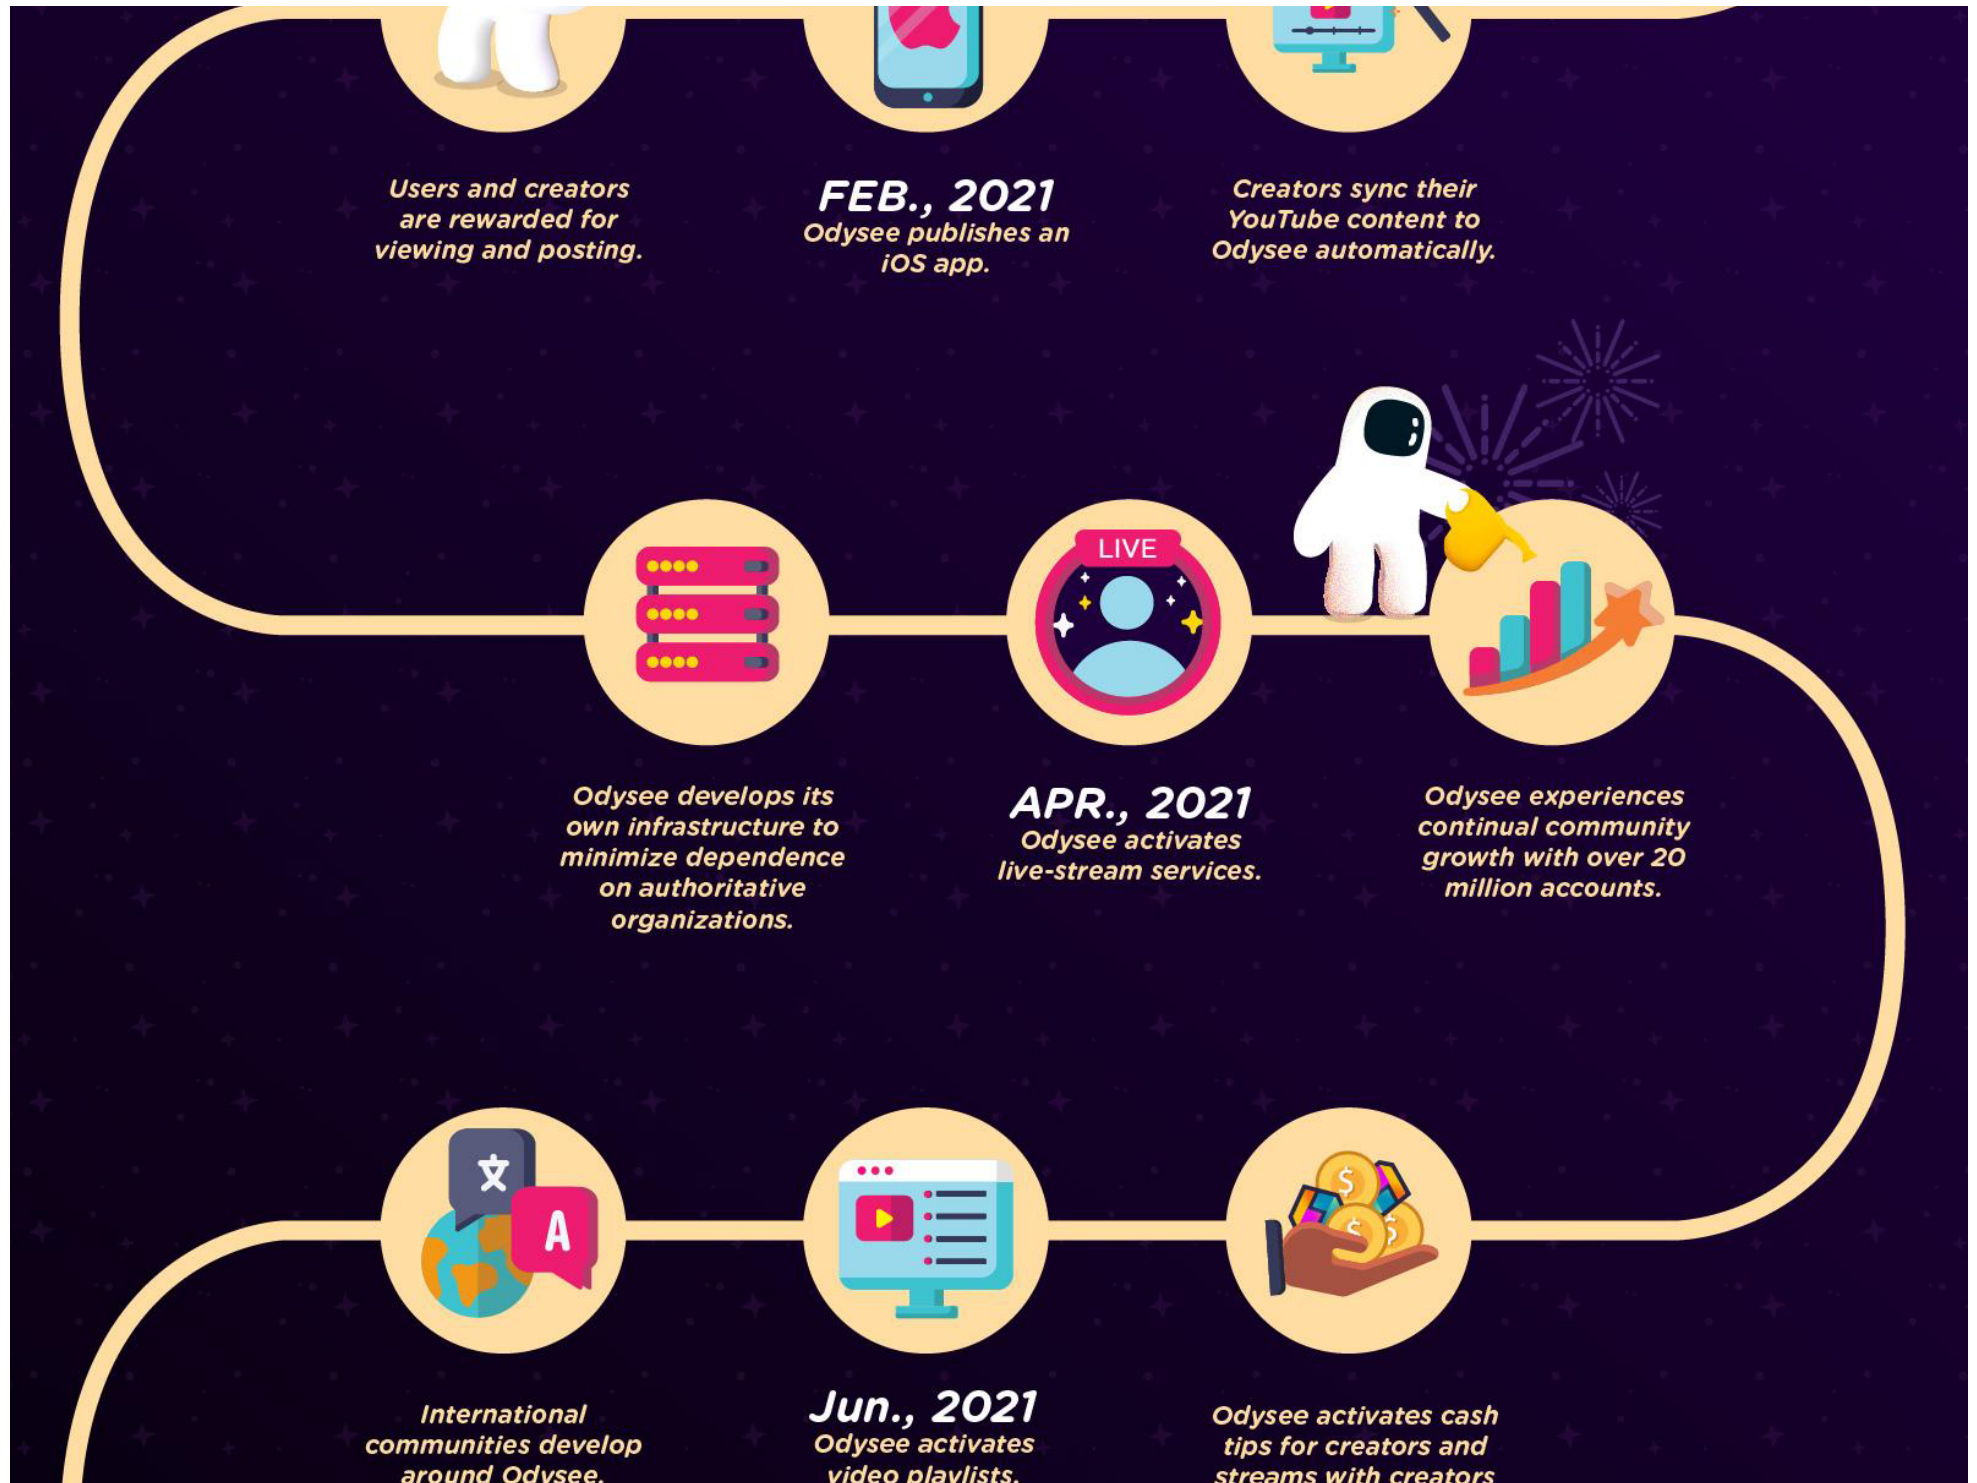

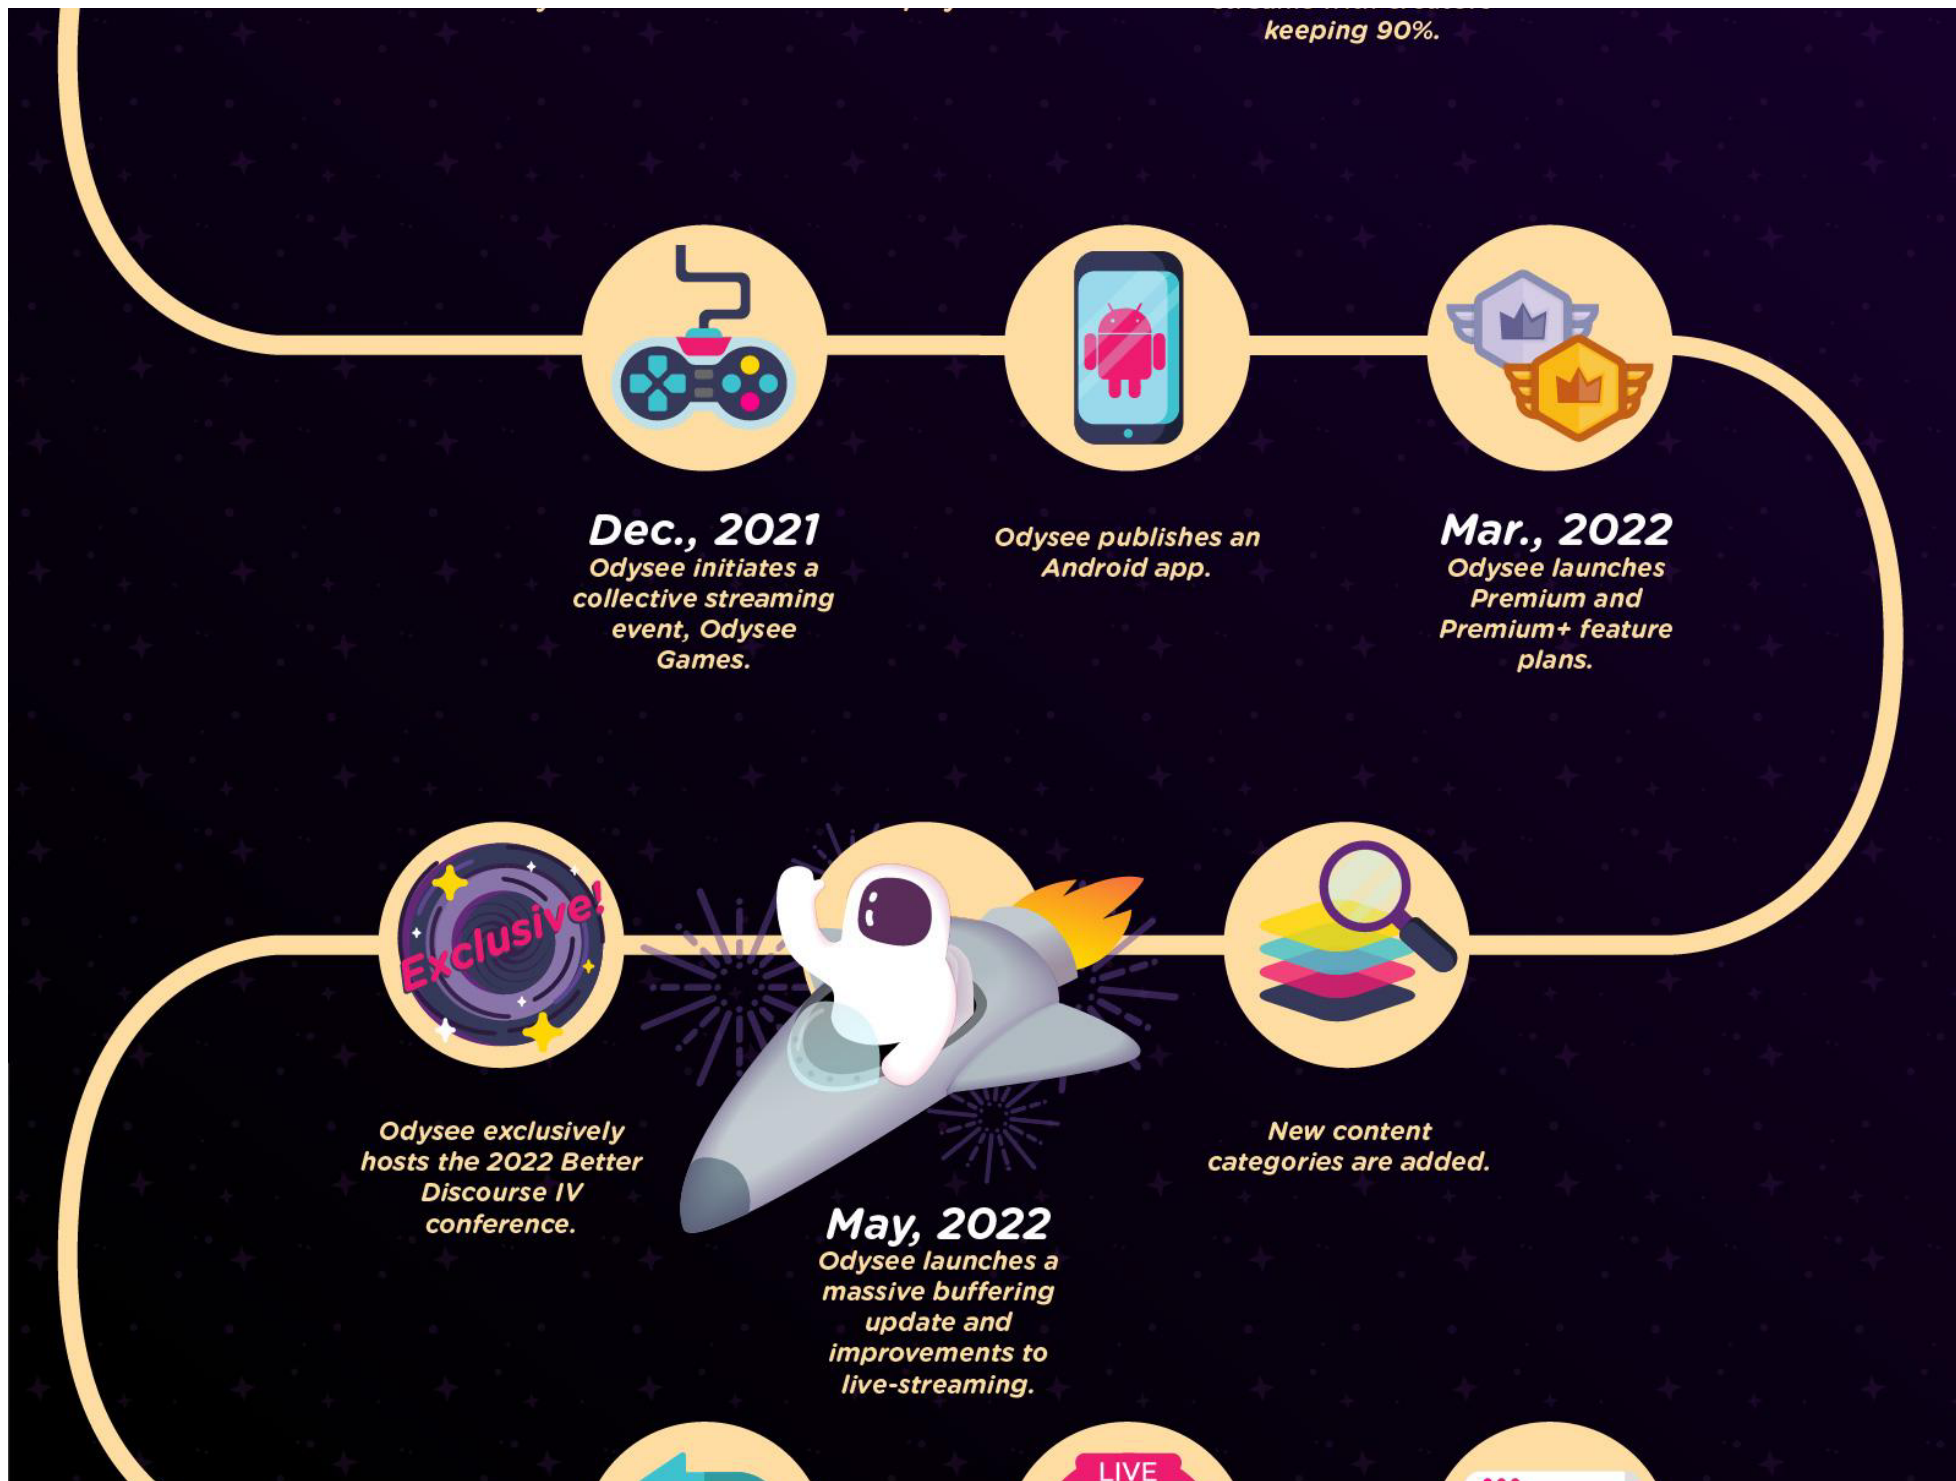

Odysee welcomes millions of independent creators and users.

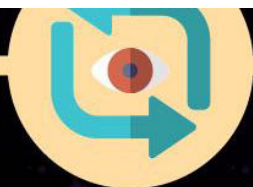

"On Fire" and "Slime" reactions are available for all content.

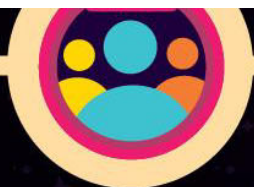

*Odysee activates
view history.*

*Odysee removes LBC
requirements for
live-streaming.*

*Odysee activates
video chapters.*

*Creators can receive
tips in Euros and
international users
can search in a
selected language by
default.*

*Odysee lowers the
minimum YouTube
threshold channel
sync requirement.*

*Odysee activates
Alpha phase content
recommendation.*

*Creator
Memberships
are on the
horizon!*

**Join the
ODYSEE
Adventure!**
